

SMART THERMOSTATS

2017 INCENTIVE PROGRAM

- HOME ENERGY IMPROVEMENTS
- SMART THERMOSTAT
- CENTRAL AIR TUNE-UP
- RESIDENTIAL TREE POWER
- ENERGY STAR APPLIANCES

Through your public power utility, these programs are proudly supported by POWERful Choices! a community-wide effort to instill a strong conservation ethic while demonstrating the effectiveness of energy efficiency, conservation and renewable resource development.

A smart thermostat is a Wi-Fi enabled device that “learns” your habits to help you manage home heating and cooling costs. It adjusts your HVAC equipment based on your home’s unique energy profile and the weather outside. You can save energy and money without sacrificing comfort.

Smart thermostats offer a broad range of setback options throughout the day and week. Ease of programming varies from one brand to another, so look carefully before purchasing.

Up to \$75.00 River Falls Chamber Check incentive is offered to encourage the purchase and installation of a smart thermostat.

Eligibility:

- Thermostat must be on the qualifying list of smart thermostats found at www.focusonenergy.com/smart
- This incentive is in addition to the Focus on Energy rebate.
- Combined Focus on Energy and RFMU incentives may not exceed 75% of the total thermostat cost.
- Incentive available to residential customers with a River Falls Municipal Utilities electric account.

- The thermostat must be installed prior to receiving a cash incentive.

You can install the thermostat or have it installed professionally.

How to Apply:

1. To qualify for an incentive, the applicant must meet all of the eligibility conditions and complete the incentive application on the reverse side of this flyer.
2. Attach a copy of the sales receipt or paid invoice indicating the date of purchase.
3. To guarantee there will be incentive money available, call 715-426-3467.
4. Drop off your completed application at our office or mail it to River Falls Municipal Utilities, 222 Lewis Street, River Falls, WI 54022.
5. Chamber check incentive will be mailed in 4-6 weeks after receipt of your completed application.

For an additional incentive from Focus on Energy, visit the smart thermostats section under residential programs and incentives at www.focusonenergy.com/smart

CERTIFICATION AND AGREEMENT

River Falls Municipal Utilities (RFMU) makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed – including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall RFMU be liable for any incidental or consequential damages. RFMU does not guarantee that the purchase and installation of your smart thermostat will result in energy cost savings. This program has a limited budget, and applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I understand that this offer provides an incentive of \$75 towards the actual purchase price of the smart thermostat. The thermostat MUST be installed and programmed prior to receiving an incentive payment. The incentive payment only applies to the cost of the thermostat and does not apply to the cost of installation (if installed professionally). This incentive is available only to customers of RFMU.

I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application. I agree that RFMU reserves the right to verify sales receipts and installation before issuing incentives. HOW TO APPLY: Please attach a copy of the sales receipt or paid invoice for the smart thermostat indicating the price, date of purchase and installer the thermostat. Purchase, installation and programming and application must be completed by December 31, 2017.
