

Home Energy Assessment 2023 Incentive Program

Save money. Increase comfort. Stay green.

- The Home Energy Assessment offers a comprehensive, whole house approach to **improving energy efficiency, performance, and comfort.**
- River Falls Municipal Utilities will cover **all but \$50** (\$25 if participating in a renewable energy program) of the assessment cost.

Maximum incentive of \$2,400 or 70% of the completed project.

An energy audit will give you a better understanding of your home's energy use, comfort, and efficiency.

Did you know ???

Signing up to purchase Green Blocks can save you additional money on efficiency efforts (like this one!). To learn more about green blocks, check out River Falls Renewable Energy Block Program.

Simple steps to home energy efficiency:

- 1** Contact RFMU at 715-426-3467 to schedule a Home Energy Assessment.
- 2** Have assessment completed and complete suggested improvements.
- 3** Submit sales receipt and application and get your rebate!

CERTIFICATION AND AGREEMENT

River Falls Municipal Utilities (RFMU) makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed – including, but not limited to, any warranty of merchant-ability or fitness for purpose. In no event shall RFMU be liable for any incidental or consequential damages. RFMU does not guarantee that the home energy assessment or recommended improvements will result in energy cost savings. This program has a limited budget; applications will be accepted on a first-come, first-served basis until allocated funds are spent. This program may be modified or discontinued at any time without notice. This rebate is available only to customers of RFMU. Homes must receive natural gas from St. Croix Gas or be heated with more than 50 percent electric heat from RFMU. Projects must qualify for Focus on Energy's Home Performance with ENERGY STAR incentives in order to receive incentives offered by RFMU. I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application. I agree that RFMU reserves the right to verify sales receipts and installation before issuing incentives. All energy improvement projects must be completed and receipts and applications must be received within 90 days of improvement completion and no later than Dec. 31, 2023.
