## PUBLIC NOTICE TO ALL CUSTOMERS OF RIVER FALLS MUNICIPAL UTILITY

ADDRESS  
222 Lewis Street  
River Falls, WI  
54022

The River Falls Municipal Utility has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary due to investment in the plant infrastructure, including painting of both the Golfview and Sycamore water towers and a planned increase in maintenance staffing since the last water rate case in 2012.

PHONE  
715-425-0906

The total increase in water revenues requested is \$209,297 which will result in an estimated overall rate increase of 15% over the water utility's present revenues. If the request is granted, the water bill for general service, including public fire protection, for an average residential customer with a 5/8-inch or 3/4-inch meter who uses 4,000 gallons of water per month will increase from \$15.31 to \$17.71, or 16% overall.
