# T-BALL LEAGUE PLAYING RULES

1. Games will be 6 innings; 3 complete will make a complete game in case of rain. No scorekeeping will take place; every game ends in a tie!
2. Home team is determined by game schedule.
3. Everyone will bat and everyone will play. Add extra to outfield. Everyone in the lineup hits every inning. To go along with this rule, flip-flop the lineup every inning. Bat 1-10 in the first inning and then 10-1 the next inning. Late comers to the game will be added onto the end of the lineup.
4. All games will be forfeited 15 minutes after scheduled game time if a team does not have the required number of players present. A team may play with as few as 7 players in a game; players can be borrowed from the other team.
5. All players and equipment must remain on the bench or behind the bench area. Remind children not to throw the bat after they get a hit!
6. Base paths will be 55 feet.
7. No smoking or swearing by those involved with the teams playing in the playing area.
8. No razzing of players. This program is to develop skill and knowledge and positive attitudes about the game which will carry over into the next years.
9. Only on-deck batter will be allowed to warm-up.
10. No matter what the rules are, the goal is to get the kids outside playing and hopefully excited to play baseball. Also, hopefully we can teach them a thing or two about the game and how to have fun!

PLAY HARD! - PLAY FAIR! - HAVE FUN!
